

mlx_create_std_cursor

```
graph LR; A[mlx_create_std_cursor] --> B[mlx_error]; B --> C[mlx_strerror];
```

A flowchart illustrating a sequence of three components. The first component, 'mlx_create_std_cursor', is highlighted with a gray background. A blue arrow points from it to the second component, 'mlx_error', which has a white background. Another blue arrow points from 'mlx_error' to the third component, 'mlx_strerror', also with a white background. All components are enclosed in rectangular boxes with black borders.

mlx_error

mlx_strerror
