

mlx_create_std_cursor

```
graph LR; A[mlx_create_std_cursor] --> B[mlx_error]; B --> C[mlx_strerror];
```

A horizontal flowchart with three rectangular boxes. The first box on the left is shaded gray and contains the text 'mlx_create_std_cursor'. A blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and contains the text 'mlx_error'. Another blue arrow points from the right side of the second box to the left side of the third box. The third box is also white with a black border and contains the text 'mlx_strerror'.
